

Function

```
graph BT; Griewank --> Function
```

A diagram illustrating the relationship between a general function and a specific one. At the top is a white rectangular box with a black border containing the word "Function". Below it is a gray rectangular box with a black border containing the word "Griewank". A thick blue arrow points vertically upwards from the "Griewank" box to the "Function" box, indicating that Griewank is a specific instance or sub-function of the general Function.
